Call of Duty: Black Ops III Eclipse Coming First to PlayStation 4 on April 19

Call of Duty: Black Ops III's Eclipse Features Four New Diverse Multiplayer Maps, Including the Re-imagining of the Call of Duty: World at War Classic, Banzai

All-New Terrifying Zombies Experience Sends Players to the Shores of the Pacific In Next Chapter of Epic Zombies Saga

SANTA MONICA, Calif.--(BUSINESS WIRE)-- **Call of Duty®: Black Ops III Eclipse**, the second DLC pack for the No. 1 top-selling console video game of 2015, **Call of Duty: Black Ops III**, is set to release on April 19, first for the PlayStation 4 with other next-gen platforms to follow*. In addition to a thrilling array of four new multiplayer maps, **Eclipse** features an all-new Zombies experience that immerses players in an undead World War II Pacific theater.

"The incredible amount of engagement and response to *Black Ops III* from our fans continues to inspire all of us at the studio," said Mark Lamia, Studio Head, Treyarch. "*Eclipse* continues to demonstrate our commitment to delivering the most exciting gameplay experiences possible with each DLC pack. We are pushing ourselves at every turn to craft new and unique ways to play."

Eclipse comes packed with four new multiplayer maps: *Spire*, *Rift*, *Knockout*; and *Verge*, a re-imagining of the *Call of Duty®: World at War* classic, *Banzai*.

- ▮ **Spire**: Spire takes Multiplayer combat to a futuristic sub-orbital airport terminal set high in the clouds. Multiple levels and open areas promote intense, mid-range combat around a clean, high-tech civilian environment. Watch your step, because one wrong move could send you plummeting back through the stratosphere.
- ▮ **Rift**: Head to the core of a harsh futuristic military complex, set high above an active caldera. Rift funnels and forces tight, intense engagements, where the only way through is forward. Utilize the unique core movement opportunities to outsmart and outplay enemies as you traverse the suspended rail system.
- ▮ **Knockout**: Housed in a traditional Shaolin Temple with a retro twist, Knockout sets the stage for a bloody Kung Fu tournament. This mid-sized map showcases a sharp contrast between the mid-range engagements of the traditional exterior architecture and the tight close-quarters of an eclectic 1970's styled interior.
- ▮ **Verge**: In this re-imagining of the classic *Call of Duty: World at War* map, Banzai, Verge drops Multiplayer combat into the center of a distant post-apocalyptic future, where two warring factions are entrenched in constant battle. Take control of the key bridge, fortresses, tunnel systems and waterfalls as you engage in high-speed action through this medium-sized map.

Eclipse also sets the stage for Zetsubou No Shima, the highly-anticipated, all-new entry in the **Call of Duty: Black Ops III** Zombies storyline that spans the four DLC Map Packs for *Black Ops III* this year. The *Origins* characters continue on their mission to stop the zombie apocalypse not only in this universe but in all universes. Our heroes find themselves stranded on a remote Pacific island which is home to the Division 9 facility: a secret biological research lab whose experiments with Element 115 and its effects on human, animal, and plant biology has created horrors beyond belief. Zetsubou No Shima features a foliage rich island map including new terrifying zombie enemies, a variety of innovative transport mechanics, more devastating traps and classic Zombies side quests.

The **Call of Duty: Black Ops III Eclipse** DLC Map Pack is available at a discounted rate via the **Call of Duty: Black Ops III** DLC Season Pass**, which features four DLC Map Packs planned for the year, as part of the discounted bundle offered at a suggested retail price of \$49.99. Individual purchase of DLC Map Packs is at a suggested retail price of \$15. **Call of Duty: Black Ops III** is rated M for Mature with Blood and Gore, Drug Reference, Intense Violence and Strong Language.

Call of Duty: Black Ops III Eclipse is scheduled for release on PlayStation 4 games and entertainment system from Sony on April 19, 2016 with other next-gen platform availability to follow*.

**Eclipse* DLC content not available on PS3 or Xbox 360.

***Season Pass* content not available on PS3 or Xbox 360. Downloadable content in the Season Pass may be sold separately. If you purchase the DLC Season Pass offering, do not also purchase these standalone DLC Map Packs, as you

will be charged for them. DLC Season Pass and DLC Map Packs may not be available on all platforms or in all territories. Pricing and release dates may vary by platform. *Call of Duty: Black Ops III* game required; sold separately.

About Treyarch

Treyarch is an award-winning video game studio, driven by the desire to create epic gameplay experiences that are enjoyed by as many video game fans as possible. It is an approach that has helped to make the studio an industry-leading game developer, whose *Call of Duty: Black Ops II* set world-wide launch day records, and whose previous game *Call of Duty: Black Ops* set an entertainment launch opening record upon its release in 2010 and continues to be one of the best-selling games of all time, according to NPD and GfK Chart-Track. Treyarch is wholly owned by Activision Publishing, Inc.
