Destiny 2 Celebrates One Year on Blizzard Entertainment's Battle.net® New Guardians Gifted Destiny 2 in November—Current Destiny 2 Players Given an Exclusive Anniversary Emblem in December via Battle.net

All Players Invited to Participate in Popular, New Mode "Gambit," First-of-its-Kind 4v4 Hybrid Activity Included with Destiny 2: Forsaken Nov 9 -11

SANTA MONICA, Calif.--(BUSINESS WIRE)--Nov. 2, 2018-- *Destiny 2* has attracted legions of dedicated fans and has been enjoyed by millions of gamers around the world since launching in 2017. Now, that fanbase is set to grow as new Guardians will be able to enter the world of *Destiny 2* for free in November. To celebrate an entire year on PC, Bungie and Activision, in collaboration with Blizzard Entertainment, announce that from November 2nd to November 18th everyone on Blizzard's Battle.net gaming platform who has not already purchased *Destiny 2*—or any new members joining Battle.net—will have the opportunity to claim the game as a free gift.

Destiny 2 will be available on the Battle.net app to claim for free for a little more than two weeks in November, and players will have the opportunity to download the game once they've claimed it*. New Battle.net accounts created after 11:00 a.m. PDT on November 2, 2018, will be required to enable Blizzard [SMS Protect](#) before claiming their game license. *Destiny 2* is redeemable from <https://account.blizzard.com/gifts/>.

Existing players of *Destiny 2* PC will receive an exclusive emblem not available anywhere else, which becomes available in December, to commemorate the first anniversary of being on Battle.net. Additionally, new Guardians will have the opportunity to try out *Destiny 2: Forsaken*'s new mode "Gambit," from November 9th through 11th 2018, during the Gambit Free Weekend. Gambit is a 4v4 hybrid activity included with *Destiny 2: Forsaken*. More details are available at <http://www.destinythegame.com/battlenet/>.

"We know *Destiny* players that want to play on PC expect an amazing experience, whether it's on their own or with their friends -- so, our paramount concern was to keep the discerning requirements of the PC community in mind, and welcoming the Battle.net and Bungie PC communities together," said Steve Cotton, game director for *Destiny 2: Forsaken* at Bungie. He added, "With this gift we look forward to seeing new Guardians in our universe."

The genre-defining *Destiny* franchise has received global acclaim since its release in 2014, followed by a record-breaking *Destiny 2*'s PC launch in 2017, the largest PC launch in Activision Publishing history based on units. Developed by Bungie, and brought to PC in partnership with Vicarious Visions, *Destiny 2* delivers a native PC experience with PC-specific features such as: 4K resolution support, uncapped frame rate, full mouse and keyboard support with custom key mapping, text chat, adjustable field of view, a detailed PC settings screen, 21:9 and triple monitor support, and HDR. In the story of *Destiny 2*, the last city on Earth has fallen and lies in ruins. Players must master new abilities and weapons to reunite the city's forces, stand together and fight back to reclaim their home.

Destiny 2 PC is playable on Windows 7, Windows 8, and Windows 10. Minimum system requirements for the PC game are an Intel Core i3-3250, Intel Pentium G4560, or an AMD FX-4350, along with a GeForce GTX 660 2GB, GTX 1050 2GB, or Radeon HD 7850. Additionally, 6GB of RAM, and 104GB of HDD space and internet connection are required.
