

## Hide Your Sheep, Spyro Has Landed -- the Spyro Reignited Trilogy is Now Available Worldwide!

November 13, 2018

*Remastered Collection Features a New Track From Original Game Composer Stewart Copeland, Plus the Return of Iconic Voice Actor Tom Kenny as Spyro*

*Videogame Commemorates Spyro's 20<sup>th</sup> Anniversary with Fiery Cross-Country Launch*

SANTA MONICA, Calif.--(BUSINESS WIRE)--Nov. 13, 2018-- Spyro, the iconic purple dragon that entertained living rooms worldwide in the late '90s, is making an epic return today with the release of **Spyro™ Reignited Trilogy**. **Spyro Reignited Trilogy** introduces players to a fully remastered game collection with a re-imagined cast of characters, animations, environments, brand-new lighting and recreated cinematics—all in stunning HD. Now fans can glide to new heights and explore more than 100+ lush environments filled with new detail that brings the Dragon Realms and Avalar to life like never-before. The trilogy is available now for PlayStation® 4, PlayStation® 4 Pro and the family of Xbox One devices from Microsoft, including the Xbox One X, for the suggested retail price of \$39.99.

This press release features multimedia. View the full release here: <https://www.businesswire.com/news/home/20181113005455/en/>

Available worldwide starting today, Spyro™ Reignited Trilogy lets players rediscover the adventure and exploration found in the classic games, but with a modern level of detail and control. (Photo: Business Wire)

In **Spyro Reignited Trilogy**, lead developer Toys For Bob is giving fans an all scaled-up version of the original three Spyro games that started it all, **Spyro the Dragon**, **Spyro 2: Ripto's Rage!** and **Spyro: Year of the Dragon**, but with a modern-day feel that makes it fresh and fun for today's player. Adding to the fun, voice actor Tom Kenny is returning to the franchise as the voice of Spyro in all three remastered games. Longtime fans will be treated to Toys For Bob's reimagined version of the classic soundtracks, in addition to an all-new title-screen theme from original soundtrack composer Stewart Copeland. Additionally, the new game brings an in-game audio feature that allows players to switch between the original and the **newly remastered** soundtracks, for those who want a more classic gameplay experience. Players can simply fly in to the "options menu" at any time during gameplay, unleash their preferred nostalgic or scaled-up groove, and glide right back into the Spyro action without losing saved data.

"It's been a real pleasure to bring back one of most iconic videogame characters of all time through the **Spyro Reignited Trilogy**," said Paul Yan, Co-Studio Head at Toys For Bob. "We've poured everything we've got into making sure every detail was done right to deliver a great Spyro experience for fans. We hope players will have as much fun revisiting the Spyro world and characters as we did remastering them."

In the road up to the official release of **Spyro Reignited Trilogy**, Activision Publishing, Inc., a wholly owned subsidiary of Activision Blizzard, Inc. (NASDAQ: ATVI), created a first-of-its-kind, life-sized, fire-breathing and talking Spyro Dragon drone. The drone took off from "Stone Hill" castle near New York City, spreading his wings across the U.S. to explore the cities and iconic landscapes that resemble levels and themes from the original Spyro games. As part of the tour, the Spyro drone chased sheep, fired up some BBQ and delivered an early copy of **Spyro Reignited Trilogy** to fellow O.G. and entertainment icon, Snoop Dogg. Highlights from the Spyro drone's delivery to Snoop Dogg can be found [here](#).

"Fans have been asking Activision to bring Spyro back for some time now. The response to **Spyro Reignited Trilogy** has been great thus far, and we're absolutely thrilled that we're able to continue to reimagine and reinvigorate some of the most iconic videogames and characters of all time with our remastered experiences," said Steve Young, Chief Revenue Officer at Activision. "With this year being the 20<sup>th</sup> anniversary of Spyro, there's no better time to pay homage to everyone's favorite purple dragon."

The Spyro community is invited to geek out and elevate their fandom even further through the elite global partnerships from the Activision Blizzard Consumer Products Group (ABCPG). Collaborations with [Funko](#), [Traly Pins](#), [Exquisite Gaming](#), [KidRobot](#), [USAopoly](#), [Trends International](#), [Rubber Road](#), and [Changes](#) have created new avenues for fans to share their love for the return of Spyro, the original roast master. Spyro consumer products across apparel, collectibles, figurines and more are now available at retailers worldwide. Fans can also take advantage of the GameStop exclusive [Spyro TOTAKU Collection](#).
