destruction. In the game, fans will be able to see Crash and friends' expressions and antics in beautiful fur-k detail as they blast each other with power-ups and whiz around the corners in all the tracks from the original CTR game, as well as reimagined tracks and karts from *Crash™ Nitro Kart*. What's more, the legendary kart racer debuts competitive online gameplay just in time to celebrate its 20th anniversary.

"The wait is finally over, and we couldn't be more thrilled that **Crash Team Racing Nitro-Fueled** is ready for its inaugural ride," said Thomas Wilson, Co-Studio Head at Beenox. "A lot of care and attention to detail went into developing this game for fans of the original *Crash Team Racing* 20 years ago, and new fans who expect a modern kart racing experience. Staying true to the original CTR games, while adding so much more content and creating a living, breathing world that just wasn't possible on first generation platforms has been a true labor of love!"

For the first time in 20 years, *Crash Team Racing* fans will have the opportunity to customize their karts and characters in *Crash Team Racing Nitro-Fueled*! The remastered game will offer players a variety of ways to mix and match kart bodies, wheels, paint jobs, stickers, and even add decals to karts. Now fans – both new and those who first fell in love with the '90s classic – can create a sweet looking ride!

"When it comes to remastering the beloved IP in Activision's portfolio of games, quality, authenticity, and community are the key pillars that drive everything we do," said Michelle Fonseca, VP of Product Management and Marketing at Activision.

In addition to the ability to customize karts, *Crash Team Racing Nitro-Fueled* will also let players customize their racers with some N. sane character skins. This will allow players to adorn their characters with a zany sense of swag and personality. Also new to the CTR experience are unique podium animations available to certain skins, making celebrating victories even more amazing. Players can earn select customization items by playing through the Adventure Mode and additional items by collecting and using in-game Wumpa Coins when connected to the internet to swag out their kart and characters in the game's Pit Stop area. What's more, character stats, just as you remember, are returning and will include Beginner, Intermediate and Advanced classes.

Brand-new consumer product offerings have also raced to retail timed to the *Crash Team Racing Nitro-Fueled* release. CTR fans can greenlight their fandom and cross the finish line in style with fun offerings from the Activision Blizzard Consumer Products Group (ABCPG). This includes a full starting lineup of consumer products celebrating *Crash Team Racing Nitro-Fueled* – in collaboration with global partners [Rubber Road](#), [Trends International](#), and more – where fans can access apparel, collectibles, figurines and more at retailers worldwide.
