Crash Bandicoot: On the Run! offers an un-fur-gettable gameplay experience, with a variety of running challenges and exciting features that add depth and progression to the game including time trials, collection runs, base building and crafting. The game will also be updated regularly with new cosmetic items, classic and creative new skins, and much more during regular seasonal updates.

The all-new **Crash Bandicoot: On the Run!** will also launch with a range of exciting social features including Teams and Survival Runs. Players can choose to join a team with friends or start their own where they can chat with other Bandicoot fans or compete against one another on asynchronous multiplayer runs to climb the leaderboard and earn special rewards.
