and powerful **Spells**. Each single-player mission presents its own distinct, bite-sized strategic puzzle to solve, and players will have to nimbly adapt their tactics in real-time to overcome these frantic challenges. Apart from the over 70 missions that make up the single-player campaign, players can also tackle **Dungeons**, which present distinct, sequential challenges.

In addition, players will take on demanding cooperative activities (such as **Raids**) and battle opponents in PvP matches, and they will also be able to join **Guilds**, which will allow them to chat with their comrades, plan their adventures, and work toward collective rewards. Players will continually earn in-game currency to add to and level-up their collections by simply playing the game or through purchases from the in-game shop. More information on the in-game shop, including pricing and inventory, will be available at a later date.

Starting soon, select players in certain regions will be able to join the beta test for *Warcraft Arclight Rumble*. For more information, please visit WarcraftRumble.blizzard.com.

About Blizzard Entertainment, Inc.

In *Warcraft Arclight Rumble*, players will be able to collect **over 60 characters from across the Warcraft universe**—brought to life as lovingly sculpted tabletop miniatures—and triumph through an **epic single-player campaign with over 70 missions**, tackle **cooperative missions with friends**, and test their armies in a competitive **player-versus-player mode**.

“Warcraft Arclight Rumble provides the sort of experience that we always strive to create at Blizzard,” said Mike Ybarra, President of Blizzard Entertainment. *“It’s instantly fun, yet deep and rewarding over the long term, and we’re immensely proud to bring a new and authentic representation of Warcraft to mobile. We can’t wait for players to experience the joyful chaos of this game for themselves.”*

Easy to learn and fun to master, *Warcraft Arclight Rumble* will test players’ ability to create miniature armies to effectively overcome each mission’s unique challenges. Players will build forces from their collections of minis, starting with their armies’ **Leaders**—which include Warcraft notables such as the Warsong chieftain Grommash Hellscream and Archmage Jaina Proudmore—and fill in their rosters with rank-and-file **Troop** minis
