About the Call of Duty Endowment

The Call of Duty Endowment identifies and funds the most efficient and effective organizations that get unemployed and underemployed veterans back to work. Beyond funding, the Endowment partners with grantees to provide an array of advice and support aimed at maximizing impact.

Since the nonprofit’s inception in 2009, the Endowment has become one of the largest philanthropic funders of veteran employment. In total, the Endowment’s efforts have achieved an estimated $6.9 billion in economic value for U.S. and U.K veterans. To date, Activision Blizzard has donated more than $42 million to the organization.

Visit [www.callofdutyendowment.org](http://www.callofdutyendowment.org) for further details, including more ways to help the cause.

In compliance with federal rules, all participating U.S. military esports teams will not be endorsing or participating in any fundraising activities associated with any organization, including the Call of Duty Endowment.
