

Activision To Present At The Morgan Stanley Conference

Santa Monica, CA – November 13, 2003 – Activision, Inc. (Nasdaq: ATVI) today announced that Robert Kotick, Chairman and CEO, will be presenting at the Morgan Stanley First Annual Small Cap Executive Conference on Tuesday, November 18, 2003 at 2:15 p.m. (Mountain Time) at the Phoenician Hotel in Scottsdale, Arizona.

Mr. Kotick's presentation will be broadcast live over the Internet. To access the webcast, please log onto: <http://www.activision.com>.

An international publisher, developer and distributor of interactive and leisure products, Activision's games span a wide range of genres (including action, adventure, action sports, strategy and simulation) and target markets (such as game enthusiasts, value buyers and children). In addition to its genre and market diversity, the company publishes, develops and distributes products for a variety of game platforms including personal computers, the PlayStation®2 computer entertainment system, PlayStation® game console, Xbox™ video game system from Microsoft, Nintendo® GameCube™ and Nintendo Game Boy Advance.

The company expects that its multi-platform development strategy and strong brand franchises will position it to take advantage of the exciting market opportunities that will result from the recent introduction of the next-generation game console systems including the Xbox, and Nintendo's GameCube and Game Boy Advance.

Headquartered in Santa Monica, California, Activision maintains operations in the U.S., Canada, the U.S., Canada, the United Kingdom, France, Germany, Italy, Japan, Australia, Scandinavia and the Netherlands. The company's common stock trades on The Nasdaq National Market under the symbol ATVI. More information about Activision and its products can be found on the company's World Wide Web site, which is located at <http://www.activision.com>.

The statements contained in this release that are not historical facts are "forward-looking statements." The Company cautions readers of this press release that a number of important factors could cause Activision's actual future results to differ materially from those expressed in any such forward-looking statements. These important factors, and other factors that could affect Activision, are described in Activision's Annual Report on Form 10-K for the fiscal year ended March 31, 2003, which was filed with the United States Securities and Exchange Commission. Readers of this press release are referred to such filings.
