

## Goblins vs Gnomes™ Activated!

*First Hearthstone®: Heroes of Warcraft™ expansion now live, featuring over 120 inventive new cards*

IRVINE, Calif.--(BUSINESS WIRE)-- *Goblins vs Gnomes*™, the explosive first expansion to Blizzard Entertainment's fast-paced online strategy card game *Hearthstone®: Heroes of Warcraft™*, is available around the world beginning today! Introducing more than 120 new cards—including an all-new type of minion, Mechs—*Goblins vs Gnomes* opens up countless new strategic possibilities for *Hearthstone* players of every skill level.

In celebration of the expansion's release, Blizzard is offering anyone who logs in to *Hearthstone* between the launch and December 19 three free *Goblins vs Gnomes* card packs—a triple-powered jolt of mayhem to help players jump-start their collections.

"*Goblins vs Gnomes* throws a big wrench into the *Hearthstone* works," said Mike Morhaime, CEO and cofounder of Blizzard Entertainment. "Players are already having a blast coming up with inventive new strategies and deck ideas—we're looking forward to seeing what happens now that they can put those plans into action."

*Goblins vs Gnomes* throws players in the middle of the epic rivalry between Azeroth's audacious goblin engineers and their equally "adventurous" gnomish counterparts—and these pint-sized tinkerers are ready to stir up trouble. Their incredible inventions and mechanical monstrosities are marvelous to behold ... but when *Hearthstone* players deploy them in a duel, the results can be *quite* unpredictable.

*Goblins vs Gnomes* card packs are available in-game now for gold or real-world currency, priced the same as Expert card packs from the original *Hearthstone: Heroes of Warcraft* set. Players can also win *Goblins vs Gnomes* cards as rewards in the Arena or craft them using Arcane Dust earned from disenchanting cards in their collection.

*Goblins vs Gnomes* is available now in the Americas region for Windows, Mac, and iPad®, and will be available December 9 in the Europe and Asia regions. *Hearthstone: Heroes of Warcraft* and *Goblins vs Gnomes* are coming soon to Android tablet devices.
