ITEM 2. ACQUISITION OR DISPOSITION OF ASSETS.

(a) ACQUISITION OF COMBINED DISTRIBUTION (HOLDINGS) LIMITED. On November 26, 1997, Activision, Inc. ("Activision" or the "Company") completed the acquisition of Combined Distribution (Holdings) Limited, a privately held company based in Birmingham, England, which is the parent company of CentreSoft Limited and PDQ Limited ("CentreSoft"). CentreSoft is engaged in the business of distributing software products in the United Kingdom and, to a lesser extent, continental Europe.

The transaction was structured as a share exchange in which the Company issued 2,787,043 shares of its common stock, \$0.000001 par value (the "Common Stock"), for all the outstanding capital stock of CentreSoft. The Common Stock issued by the Company in the transaction had a market value at the time of the closing of the transaction of approximately \$44 million. In addition, an option to acquire shares of CentreSoft was canceled and in exchange for the cancellation the holder of the option was granted an option to purchase 50,325 shares of Common Stock. The transaction will be accounted for as a pooling of interests.

The shares of Common Stock were issued to the holders of CentreSoft capital pursuant to an exemption from registration under the Securities Act of 1933, as amended (the "Securities Act"). The Company is required to use its best endeavors to file with the Securities and Exchange Commission on or before January 5, 1998 a registration statement covering such shares for resale by the holders. The CentreSoft stockholders have agreed, however, not to sell or otherwise dispose of any of the Common Stock received by them in the transaction until after the issuance by Activision of its first earnings press release

including at least 30 days of combined operations. The Company anticipates that this earnings release will be issued in the fourth week of January, 1998.

The following pro forma results of operations assume that the CentreSoft transaction had occurred as of April 1, 1996. The Company anticipates filing an amendment to this report within 30 days which will contain the audited consolidated financial statements of CentreSoft and the unaudited pro forma condensed combined financial statements of the Company and CentreSoft.

	Year ended March 31, 1997	Six Months ended Sept. 30, ----- 1996 1997 -----	
Net revenues	\$ 154,644	\$ 36,561	\$ 79,529
Net income (loss)	\$ 9,226	\$ (1,210)	\$ (3,576)
Net income (loss) per share	\$ 0.50	\$ (0.07)	\$ (0.19)

(b) ACQUISITION OF NBG EDV HANDELS & VERLAGS GMBH. Also on November 26, 1997, a wholly-owned indirect German subsidiary of the Company acquired NBG EDV Handels- und Verlags GmbH ("NBG"), a privately held software distributor and publisher based in Burglengenfeld, Germany, and Target Software Vertriebs GmbH ("Target"), a small affiliated software retailer. The transaction was structured as a share for share exchange in which the Company issued 263,048 shares of Common Stock to the two holders of capital stock in NBG and Target in exchange for their equity interests in these companies. At the time of the closing of the transaction, the Common Stock issued by the Company had a market value of approximately \$4.4 million. In addition, as part of the transaction, a wholly owned indirect German subsidiary of Activision acquired the real property (including land and buildings) used by NBG and Target that was owned by the two equity owners of NBG and Target, in exchange for the assumption by such subsidiary of certain debt secured by a mortgage on the property. The total debt on the property was approximately DM1,250,000 (approximately \$725,000). Approximately DM650,000 (approximately \$377,000) of this debt is guaranteed by a German government entity that assists small businesses and will therefore be required to be repaid by the Company in the near future. The transaction will be accounted for as a pooling of interests.

The shares of Common Stock were issued to the holders of NBG and Target capital stock pursuant to an exemption from registration under the Securities Act. The Company is required to use its best efforts to file with the Securities and Exchange Commission within 60 days after the closing of the transaction, a registration statement covering such shares for resale by the holders. The NBG and Target stockholders also have agreed, however, not to sell or otherwise dispose of any of the Common Stock received by them in the transaction until after the issuance by Activision of its first earnings press release including at least 30 days of combined operations. The Company anticipates that this earnings release will be issued in the fourth week of January, 1998.

ITEM 5. OTHER EVENTS.

Activision announced on December 5, 1997 that it intends to make a private offering of \$75,000,000 in Convertible Subordinated Notes (and up to an additional \$25,000,000 in Notes to cover over-allotments). The Notes will bear interest at a rate which is yet to be determined, and will be due approximately seven years after issuance. The Notes also will be convertible, in whole or in part, at the option of the holder at any time after 60 days following the latest date of original issuance of the Notes and prior to the close of business on the business day immediately preceding the maturity date, unless previously redeemed or repurchased into shares of Common Stock. The Notes will be redeemable, in whole or in part, at the option of the Company at any time approximately three years after issuance.

The Notes will be offered to a limited number of purchasers pursuant to a

Rule 144A placement. The net proceeds of the offering are expected to be used to finance its product development and product acquisition efforts, support its corporate acquisition program and fund general corporate working capital needs.

The Notes to be offered by Activision will not be registered under the Securities Act and may not be offered or sold in the United States absent registration with the Securities and Exchange Commission or the availability of an applicable exemption from such registration requirements.

ITEM 7. FINANCIAL STATEMENTS, PRO FORMA FINANCIAL STATEMENTS AND EXHIBITS.

(a) FINANCIAL STATEMENTS OF BUSINESS ACQUIRED.

The Company will file the financial statements required by this item by an amendment to this report, which the Company anticipates will be filed within 30 days.

 - (h) where any statement is qualified by the expression "SO FAR AS THE WARRANTORS ARE AWARE" or "TO THE BEST OF THE WARRANTORS' KNOWLEDGE AND BELIEF" or any similar expression it shall be deemed to include an additional statement that it has been made after due and careful enquiry.

2. CONDITIONS TO COMPLETION

- 2.1 Except for the obligations set out in this clause, clause 6 (Pre-Completion obligations) and sub-clause 17.10 (Termination), the obligations of the Warrantors under this Agreement are in all respects conditional upon the following:
- (a) as at the date of Completion, Activision having performed all obligations and complied with all terms, conditions and covenants on its part agreed to be performed under this Agreement on or prior to the date of the Completion;
 - (b) the respective representations and warranties of Activision contained in this Agreement remaining true and correct both as of the date of this Agreement and as of the date of Completion with the same effect as though made at such date, except that any representation or warranty which is permitted to be and has been made as of and expressly limited to, a specific date shall have been true and correct on and as of such date;

- (c) Activision receiving separately from KPMG Peat Marwick, independent auditors for Activision, and Grant Thornton, independent auditors of the Group, letters dated the date of Completion (which may contain customary qualifications and assumptions) to the effect that KPMG Peat Marwick and Grant Thornton respectively concur with Activision's management's conclusion that no conditions exist relating to Activision, the Company or the transactions contemplated by this Agreement that would preclude Activision from accounting for the share exchange as a pooling of interests for US accounting purposes under United States generally accepted accounting principles ("THE POOLING ARRANGEMENT");

2.2 Except for the obligations set out in this clause, clause 6 (Pre-Completion obligations) and sub-clause 17.10 (Termination), the obligations of Activision under this Agreement are in all respects conditional upon the following:

- (a) conditional only upon Completion, the Company having duly passed requisite Board resolutions effecting the approval of all matters contemplated under this Agreement;
- (b) the respective representations and warranties of the Warrantors contained in this Agreement remaining true and correct and the information set forth in any Schedule to this Agreement being true and correct both at the date of this Agreement and at the date of Completion with the same effect as though made at such date, except that any representation or warranty or items of information set forth in a Schedule which is permitted to be and has been made as of and expressly limited to, a specific date shall have been true and correct on and as of such date;
- (c) as of the date of Completion there being no material adverse change in the condition of the Group or its business (financial or otherwise), results of operations, assets, net worth, prospects, properties or litigation, except that the

16

termination of any of the contracts between a Group Company and any Contractor by reason solely of the exercise of a right of termination upon a Change of Control shall not be a material adverse change. Also for the purpose of this sub-clause, it shall be deemed not to be a material adverse change in the condition of the Group or its business (financial or otherwise), results of operations, assets, net worth, prospects, properties or litigation if a customer or customers individually or in the aggregate of the Group Companies (other than the Contractors) indicate that they will no longer transact business with the Group as a result of the Change of Control unless such customer or customers individually or in the aggregate have accounted for 7 1/2 % or more of the Group's turnover in the twelve complete calendar months immediately preceding the date of this Agreement in which case there shall be deemed to be a material adverse change;

- (d) as of the date of Completion, the Company and the Warrantors having performed all obligations and complied with all terms, conditions and covenants on their part agreed to be performed hereunder on or prior to the date of Completion;
- (e) subsequent to the date of this Agreement and prior to Completion, the Company and the Warrantors not having performed any of the acts prohibited by clause 6;
- (f) Activision having received a written opinion from Robinson Silverman Pearce Aronsohn & Berman LLP, its counsel, in form and substance reasonably satisfactory to it, to the effect that the share exchange will not result in a tax liability to Activision under the Code and such opinion shall not have been withdrawn; provided, however, that if such counsel does not render such opinion, this condition shall nonetheless be deemed to be satisfied with respect to Activision if the Company's counsel renders such opinion to Activision. Activision, the Company, and the Warrantors agree to make reasonable representations as requested by such counsel for the purpose of

rendering such opinion;

- (g) Activision receiving separately from KPMG Peat Marwick, independent auditors for Activision, and Grant Thornton, independent auditors of the Group, letters dated the date of Completion (which may contain customary qualifications and assumptions) to the effect that KPMG Peat Marwick and Grant Thornton respectively concur with Activision's management's conclusion that no conditions exist relating to Activision, the Company or the transactions contemplated by this Agreement that would preclude Activision from accounting for the share exchange as a Pooling Arrangement; and
- (h) the Bank of Scotland having formally waived any event of default arising under the terms of its facility agreement dated 28 June 1996 by reason of change of control and having provided letters of non crystallisation in relation to Group debentures granted to them.

17

2.3

- (a) The Warrantors shall (so far as it lies within their powers) use all reasonable endeavours to procure that the Conditions referred to in sub-clauses 2.2(a), (b), (c), (d), (e), (g), and (h) are satisfied as soon as possible and in any event not later than 26 November 1997 (or such later date as the parties may agree).
- (b) Activision shall (so far as it lies within its powers) use all reasonable endeavours to procure that the Conditions referred to in sub-clause 2.1(a), (b) and (c) and 2.2 (f) are satisfied as soon as possible and in any event not later than 26 November 1997 (or such later date as the parties may agree).

2.4 If any of the Conditions is not satisfied in full by the date specified in sub-clause 2.3 then (in the case of the Conditions specified in sub-clause 2.1) the Warrantors and (in the case of the Conditions specified in sub-clauses 2.2) Activision shall be entitled at its (or as the case may be) their option either (in all cases prior to Completion):

- (a) to waive the unsatisfied Condition; or
- (b) to extend the period for satisfying the unsatisfied Condition until 1 December 1997; or
- (c) to treat this Agreement as terminated:
 - (i) without prejudice to the fact that in the event of termination by Activision, Activision reserves any rights it may have against the Warrantors for breach if the Warrantors have not complied with their obligations in clause 2.3(a); and
 - (ii) without prejudice to the fact that in the event of termination by the Warrantors, the Warrantors reserve any rights they may have against Activision for breach if Activision has not complied with its obligations in clause 2.3(b).

PROVIDED THAT the party exercising the rights of termination referred to in clause 2.4 shall have complied with its own respective obligations in clause 2.3(a) or 2.3(b) (as the case may be).

3. TRANSFER AND EXCHANGE

3.1 Subject to the terms of this Agreement, the Shareholders shall transfer to Activision with effect from the date on which this Agreement becomes unconditional, the Company Shares with:

- (a) full title guarantee (but free from all claims, charges, liens and encumbrances (whether monetary or not)); and

18

- (b) all rights attaching to or accruing to them on or after the date on which this Agreement becomes unconditional (including all dividends and distributions declared, paid or made after that date save for the Dividends which will be paid by the Company in the ordinary course).
- 3.2 Subject to the terms of the Agreement, the Share Option shall be terminated pursuant to the Termination Deed.
- 3.3 Each of the Shareholders waives all rights of pre-emption and redemption over any of the Company Shares conferred on him by the Articles or in any other way and undertakes to take all steps necessary to waive any rights of pre-emption and redemption over any of the Company Shares. Each of the Shareholders also waives any right he may have to receive any 'Approved Offer' as defined in the Articles.
- 3.4 Activision shall not be obliged to complete the exchange unless the transfer and exchange of all the Company Shares are completed simultaneously.

4. CONSIDERATION

- 4.1 The Consideration payable to the Shareholders is the issuance by Activision to the Shareholders of the Consideration Stock, credited as fully paid to the Shareholders in the manner and proportions as set out in Schedule 1.
- 4.2 The Consideration payable to Hunt is the issuance to Hunt by Activision of the Hunt Options.
- 4.3 The Consideration Stock shall rank in all respects with the common stock par value \$0.000001 per share in the capital of Activision ("COMMON STOCK") in issue immediately prior to the allotment and issue of the Consideration Stock.

5. THE STOCK AND OPTION RETENTION

- 5.1 In order to ensure that the Surviving Shareholders' Warranties made by the Warrantors under this Agreement (which are surviving Completion) are not breached, and in order to provide a source of indemnification to Activision pursuant to any Claims, (a) the Shareholders agree that the certificates representing 7.5% of the total number of shares of Consideration Stock issued to the Shareholders pursuant to clause 4 ("THE RETAINED STOCK") and (b) Hunt agrees that a Hunt Option Agreement with respect to 7.5% of the total number of the Hunt Options (and the Hunt Options represented thereby) (the "RETAINED OPTIONS") shall be deposited with the Escrow Agent in an escrow account ("THE ESCROW ACCOUNT") pursuant to the Escrow Agreement on the date of Completion to provide a source from which Activision can be reimbursed for any Claim. Any Option Stock issued upon exercise of Retained Options shall be treated in the same manner as Retained Stock.

19

- 5.2 Such Retained Stock and Retained Options shall be held in the Escrow Account during such period of time as set forth in the Escrow Agreement ("THE HOLD PERIOD"). Any dividends and distributions with respect to such Retained Stock and any Option Stock issued upon the exercise of the Retained Options while held in the Escrow Account shall also be retained in the Escrow Account until the expiration of the Hold Period. Any offsets or deductions made from Retained Stock or Retained Options held in the Escrow Account on account of any breach shall be made on the last business day of the Hold Period, or at such other time as set forth in the Escrow Agreement, and shall be based upon a market price per share of Consideration Stock of \$15.5625 and dollar/sterling exchange rate of \$1.6918 per L1. The value of each Retained Option for these purposes shall be \$15.5525. All Retained Stock and Retained Options subject to such offset or deduction shall be cancelled by Activision and the remaining Retained Stock and Retained Options together with any dividends paid or distributions made with respect to such Retained Stock and Option Stock issued to Hunt upon the exercise of Retained Options that have not been cancelled shall be then delivered to the Shareholders and Hunt in accordance with their respective interests.
- 5.3 The cancellation by Activision of any Retained Stock and Retained Options contained in the Escrow Account in respect of any Claim shall not prejudice

its right to recover any further sum due to it for that or any other Claim not satisfied by the Escrow Account.

6. PRE-COMPLETION OBLIGATIONS

6.1 The Warrantors shall procure that, between the date of this Agreement and Completion, each Group Company shall carry on its respective businesses in the ordinary course and shall not without the consent of Activision do anything which is not of a routine or unimportant nature or which may jeopardise the Pooling Arrangement. In particular, and without limitation, the Warrantors will procure that the Group will not (save in each case with the prior written consent of Activision):

8. RESTRICTION ON SALE OF THE CONSIDERATION STOCK AND OPTION STOCK

8.1 The Warrantors acknowledge and agree that the Consideration Stock and the Option Stock will be issued to the Warrantors without registration under the United States Securities Act of 1933, as amended (the "SECURITIES ACT"), based upon the "private offering exemption", in reliance upon appropriate written representations from the Warrantors (as set forth in their respective Investment Letters in the agreed form), further evidenced by the restrictive wording on the certificates representing Consideration Stock and Option Stock and "stop transfer" instructions to Activision's transfer agent. The Consideration Stock and Option Stock will constitute "restricted securities" within the meaning of the Securities Act and related rules and regulations. Notwithstanding the provisions of the Securities Act, the Warrantors acknowledge and agree that the Warrantors shall not have the right to sell, pledge, gift, hypothecate or otherwise dispose of the Consideration Stock and Option Stock until the issuance by Activision of its first earnings press release containing thirty (30) days of combined operations of Activision and the Group.

8.2 Activision shall upon declaration of effectiveness of the Registration Statement (as defined in sub-clause 9.1(c) of this Agreement) procure that its corporate legal counsel issue an opinion and instructions to Activision's transfer agent to register for transfer, free of restrictive legends, certificates representing the Consideration Stock and Option Stock upon sale or transfer thereof by the Warrantors pursuant to the Registration Statement and compliance by the selling Warrantors with the prospectus delivery requirements of the Securities Act and certification to the transfer agent of such compliance.

9. REGISTRATION OF THE CONSIDERATION STOCK AND OPTION STOCK

9.1 Activision acknowledges that the Warrantors are likely to seek to sell some or all of their Consideration Stock or Option Stock at the earliest time permitted. Activision therefore undertakes to use its best endeavours to file with the SEC:-

- (a) notification of the acquisition of the Company on Form 8-K on or before 5 December 1997;
- (b) financial statements for Form 8-K (including the Company's audited financial statements for the last fiscal year and the Company's unaudited financial statements for the quarters ended 31 October 1997) prior to 29 December 1997;
- (c) a registration statement on Form S-3 ("THE REGISTRATION STATEMENT") or on such other available form which may be mutually acceptable to the parties as soon as reasonably practicable after Completion and in any case prior to the later of (i) 5 January 1998, or (ii) five business days after the filing referred to in 9.1(b) above, registering under the Securities Act, pursuant to Rule 415 under the Securities Act, if available, for the offer and sale in the future of up to all of the Consideration Stock and Option Stock issued by Activision pursuant to this Agreement and the Hunt Option Agreements.

9.2 Activision agrees:-

- (a) to use its best endeavours to release its earnings report for the quarter ended 31 December 1997 (provided that the Company closes its books for the quarter ended 31 December 1997 by 10 January 1998) prior to the later of (i) 23 January 1998 and (ii) thirteen days after the Company closes its books for the quarter ended 31 December 1997;
- (b) to use its commercially reasonable efforts to cause the Registration Statement to be declared effective by the SEC within a time frame which is as soon as practicable in the circumstances;
- (c) to maintain the effectiveness of the Registration Statement or successor registration statement filed by Activision for the purpose of registering the Consideration Stock and Option Stock until the Consideration Stock and Option

Stock is eligible to be resold without restrictions on disposition pursuant to the Securities Act and its related rules and regulations;

- (d) update the prospectus included in the Registration Statement ("THE PROSPECTUS") from time to time as may be necessary to ensure that the Prospectus does not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the Prospectus not misleading and to ensure that the Prospectus is current and can at all times be used during the 20 trading days following the first day the Warrantors are able to sell the Consideration Stock and Option Stock to the public in the United States pursuant to this Agreement; and
- (e) provide such number of copies of the Registration Statement and the Prospectus (as so updated) to the Warrantors as they may reasonably

request in order to facilitate the public sale or other disposition of the Consideration Stock and Option Stock covered by such Registration Statement.

- 9.3 Activision shall bear the costs incurred for its legal counsel, accounting and all other costs and expenses, excluding costs for legal counsel for the Warrantors which may be incurred in connection with the preparation and filing of the Registration Statement pursuant to this clause 9. The Warrantors shall be responsible for all costs associated with selling or disposing of the Consideration Stock and Option Stock (including brokers' commissions and underwriting fees) and all fees and expenses for their counsel, accountants and other advisors.
- 9.4 The rights in this clause 9 are not assignable to any transferee of Consideration Stock or Option Stock acquired by the Warrantors in connection with this Agreement.
- 9.5 The Warrantors severally agree that they will provide all required co-operation and furnish all necessary information and enter into such agreements customarily required of selling stockholders in connection with the preparation of the Registration Statement filed under the terms of sub-clause 9.1 and the Warrantors, severally, will represent and warrant the accuracy and completeness of all written information so furnished by them for inclusion in the Registration Statement and will indemnify and hold Activision, and its directors, officers, shareholders, controlling persons (within the meaning of the Securities Act) and underwriters harmless from and against any liability, loss, damage or expense (including costs and attorney's fees), incurred by or sustained by, or asserted against any of them, arising out of or based on any untrue statement (or alleged untrue statement) of a material fact contained in the information provided by the Warrantors or based on any omission (or alleged omission) to state a material fact required to be stated therein or necessary to make the statements therein not misleading.
- 9.6 Activision will indemnify and hold the Warrantors (and their controlling persons, if any, within the meaning of the Securities Act) harmless from and against any liability, loss, damage or expense (including costs and attorney's fees), incurred or sustained by, or asserted against, any of them ("DAMAGES") arising out of or based on any untrue

27

statement (or alleged untrue statement) of a material fact in the Registration Statement, or based on any omission (or alleged omission) to state a material fact required to be stated therein or necessary to make the statements therein not misleading, other than in respect of any such Damages arising out of any written information furnished by the Warrantors pursuant to clause 9.5 for inclusion in the Registration Statement.

- 9.7 In the event it is determined by a Court of competent jurisdiction that Activision has breached Clause 9.1(c) or 9.2(a), the parties agree that the Court may consider (but shall not be bound to consider), in assessing damages, if any, any reduction in market value of the Consideration Stock and Option Stock from the date the Warrantors should have been able to sell the Consideration Stock and Option Stock had Activision not breached such clause or clauses and the date on which the Warrantors were actually able to sell the Consideration Stock and Option Stock. The parties confirm that Activision shall be liable for damages for breach of covenant only if the breach is proved and only to the extent awarded by the Court. The parties also agree that a reduction in market value is appropriately measured by reference to changes in the market price of Activision stock and changes in the \$/L exchange rate.

10. RELEASE OF GUARANTEES

The Warrantors shall on Completion procure the release of a Group Company from any Guarantee given by such Group Company in respect of any obligations of any Warrantor or Warrantor Associate and shall indemnify Activision against all liability arising after Completion in respect of it.

11. WARRANTIES

11.1 SHAREHOLDERS' WARRANTIES

- (a) The Warrantors severally represent and warrant to Activision that each of the Shareholders Warranties to be given by them respectively is true and accurate in all respects and not misleading at the date of this Agreement and will continue to be true and accurate in all respects and not misleading up to and including Completion.
- (b) The Warrantors severally represent and warrant to Activision that each of the Surviving Shareholders Warranties to be given by them is true and accurate in all respects and not misleading at the date of this Agreement and will continue to be true and accurate in all respects and not misleading up to and including Completion.
- (c) The Warrantors acknowledge that they give the Shareholders Warranties and Surviving Shareholders' Warranties with the intention of inducing Activision to enter into this Agreement and that Activision does so in reliance upon the Shareholder Warranties.

28

- (d) Each of the Shareholder Warranties and Surviving Shareholders' Warranties is a separate and independent warranty and shall not be limited by reference to any other warranty or anything in this Agreement.

11.2 ACTIVISION WARRANTIES

- (a) Activision represents and warrants to the Warrantors that each of the Activision Warranties to be given by it is true and accurate in all respects and not misleading at the date of this Agreement and will continue to be true and accurate in all respects and not misleading up to and including Completion.
- (b) Activision acknowledges that it gives the Activision Warranties with the intention of inducing the Warrantors to enter into this Agreement and that the Warrantors do so in reliance on the Activision Warranties.
- (c) Each of the Activision Warranties is a separate and independent warranty and shall not be limited by reference to any other Activision Warranty or anything in this Agreement.

12. WARRANTORS' REMEDIES

- 12.1 Activision undertakes to disclose in writing to the Warrantors anything which is or may constitute a claim by the Warrantors against Activision under the Activision Warranties directly after it comes to the notice of it either before, at the time of, or after Completion.
- 12.2 If between the date of this Agreement and Completion the Warrantors become aware that there has been a material breach of the Activision Warranties or any other term of the Agreement by Activision, the Warrantors shall be entitled to rescind this Agreement by notice in writing to Activision.

13. ACTIVISION'S REMEDIES

- 13.1 Each of the Warrantors undertakes to disclose in writing to Activision anything which is or may constitute a Claim or which is or may be inconsistent with the contents of the Disclosure Letter directly after it comes to the notice of any of them either before, at the time of, or after Completion.
- 13.2 If, between the date of this Agreement and Completion, Activision becomes aware that there has been any material breach of the Shareholders Warranties or any other term of this Agreement Activision shall be entitled to rescind this Agreement by notice in writing to the Warrantors. The rescission of this Agreement by Activision pursuant to

Clause 13.2 for breach of any Shareholders' Warranty (other than a Surviving Shareholders' Warranty) shall be Activision's sole and exclusive remedy for any material breach of that Warranty.

29

13.3 The rights and remedies of Activision in respect of any breach of the Surviving Shareholders Warranties shall not be affected by Completion or by any investigation made, or which could have been made, by it or on its behalf into the affairs of any Group Company save as disclosed in the Disclosure Letter.

13.4 If, in respect of or in connection with any Claim, any amount payable to Activision by the Warrantors is subject to Taxation, the amount to be paid to Activision by the Warrantors shall be such as to ensure that the net amount received by Activision is equal to the full amount which would be payable to Activision had the amount not been subject to Taxation due credit being given to the Warrantors for any associated tax credit.

13.5 If any Claim is made then:

- (a) Activision shall make and pursue such Claim against all and not some of the Warrantors; and
- (b) no Warrantor shall make any claim against any Group Company or any director or employee of any Group Company on whom he may have relied before agreeing to any terms of this Agreement or authorising any statement in the Disclosure Letter.

This sub-clause shall not preclude any Warrantor from claiming against any other Warrantor under any right of contribution or indemnity to which he may be entitled.

13.6 If the Warrantors commit a breach of any Surviving Shareholders' Warranty and:

- (a) the value of any Group Company is less than it would have been at Completion in the absence of the breach; or
- (b) the value of the Company's shares or of any Group Company's assets is less than it would have been at Completion in the absence of the breach; or
- (c) any Group Company has incurred or will in future incur any liability which it would not have incurred, or which exceeds the liability it would have incurred, had matters been as warranted; or
- (d) any Group Company suffers or incurs any loss, costs or expenses (including legal costs) which it would not have suffered/incurred in the absence of a breach of warranty and/or had matters been as warranted;

then, without prejudice to any other rights and remedies to which Activision may be entitled, the Warrantors shall, on demand being made by Activision, pay to Activision by way of damages an amount equal to the said diminution in value or liability or excess liability and the said loss, costs or expenses.

13.7 The Warrantors shall indemnify Activision against all costs (including legal costs on an indemnity basis as defined in Order 62 of the Rules of the Supreme Court), expenses or

30

other liabilities which Activision may reasonably incur either before or after the commencement of any action in connection with:

- (a) the settlement of any Claim;
- (b) any legal proceedings in respect of any Claim in which judgement

is given for Activision; or

(c) the enforcement of any such settlement or judgement.

13.8 Any amount paid by the Shareholders to Activision in respect of any of the provisions of this Agreement shall be treated by the Warrantors as paid to Activision by way of pro rata reduction in the Consideration.

14. LIMITATIONS ON LIABILITY

14.1 The Warrantors shall not be liable in respect of any Claim under the Surviving Shareholders Warranties to the extent that the matter or matters giving rise to such Claim are fairly disclosed in the Disclosure Letter.

14.2 The aggregate maximum liability of the Warrantors in respect of a Claim or Claims under the Surviving Shareholders Warranties or a claim under Clause 13.1 shall in no event exceed L2,680,000 (inclusive of any liability of the Warrantors to contribute to Activision's costs of pursuing such Claim or Claims or claim under Clause 13.1) and the aggregate maximum liability of each Warrantor in respect of a Claim or Claims or claim under Clause 13.1 shall not exceed his Relevant Percentage (as defined below) of L2,680,000.

14.3 For the purposes of clauses 14.2 the expression "his Relevant Percentage" shall mean in relation to each Warrantor the percentage set against his name in Part III of Schedule 1;

14.4 The Warrantors shall not be liable in respect of any Claim where the amount of such Claim does not exceed L15,000.

14.5 The Warrantors shall not be liable in respect of Claims made by Activision unless and until the aggregate cumulative liability of the Warrantors in respect of such Claims (including for these purposes Claims in respect of which the Warrantors do not have any liability pursuant to the provisions of clause 14.4) exceeds L175,000 in which event the Warrantors shall be liable for the entire amount of such liability excluding for these purposes Claims in respect of which the Warrantors do not have any liability pursuant to the provisions of clause 14.4.

14.6 The Warrantors shall not be liable in respect of any Claim unless it shall have been made before the expiry of one year from Completion.

31

14.7 No Claim shall be deemed to have been made unless notice of such Claim was made in writing to the Warrantors specifying in reasonable detail the event of default to which the Claim relates and the nature of the breach and the amount claimed (to the extent ascertainable by Activision).

14.8 Any Claim in respect of which notice shall have been given in accordance with clause 14.7 shall be deemed to have been irrevocably withdrawn and lapsed (not having been previously satisfied, settled or withdrawn) if proceedings in respect of such Claim have not been issued and served on the Shareholders not later than the expiry of the period of 12 months after the date of such notice.

14.9 Where Activision and/or any Group Company is or is likely to be entitled to recover from some other person any sum in respect of any matter giving rise to a Claim then Activision shall procure that reasonable steps are taken to enforce such recovery (subject to Clause 15) and if any sum is so recovered then either the amount payable by the Warrantors in respect of that Claim shall be reduced by an amount equal to the sum so recovered (less the reasonable costs and expenses of recovering it) or (if any amount shall already have been paid by any of the Warrantors in respect of that Claim) there shall be repaid to the Warrantors an amount equal to the amount so recovered (less the reasonable costs and expenses of its recovery) or (if less) the amount of such payment.

14.10 Without prejudice to the generality of clause 14.9 above the provisions of clause 14.9 shall apply where any Group Company is entitled to recover from its insurers any sum in respect of any matter giving rise

to a Claim.

14.11 The Shareholders shall have no liability (or such liability shall be reduced) in respect of any Claim:-

- (a) if and to the extent that provision or reserve for or in respect of the liability or other matter giving rise to such Claim has been made in the Accounts or in the Management Accounts;
- (b) if and to the extent any liability of any Group Company included in the Accounts has been discharged or satisfied below the amount attributed to it or included in respect of it in the Accounts or in the Management Accounts;
- (c) if and to the extent any contingency or other matters provided against it in the Accounts or in the Management Accounts has in the event been over-provided for less the extent to which any contingency or other matters have been under-provided for;
- (d) if and to the extent such Claim occurs or is increased as a result of any change in legislation after the date of this Agreement (or any legislation not in force at the date of this Agreement) which takes effect retrospectively or the withdrawal after

32

the date of this Agreement of any published concession or published general practice previously made by the Inland Revenue or other taxing authority;

- (e) if and to the extent that such Claim occurs or is increased as a result of any increase in the rate of Taxation in force at the date of this Agreement;
- (f) if and to the extent that any Claim occurs as a result of or is otherwise attributable to Activision or any Group Company disclaiming any part of the benefit of capital or other allowances against Taxation claimed or proposed to be claimed on or before the date of this Agreement;
- (g) if and to the extent that such Claim is attributable to any voluntary act or omission of or transaction or arrangement carried out by Activision or any Group Company after the Completion Date otherwise than in the ordinary course of business which act, omission, transaction or arrangement Activision was aware from the Disclosure Letter would otherwise give rise to a Claim;
- (h) if and to the extent that such Claim would not have arisen or would have been reduced or eliminated but for the failure or omission on the part of Activision or any Group Company to make any claim, election, surrender or disclaimer or give notice or consent to any other thing under the provisions of any enactment or regulation relating to Taxation after Completion the making giving or doing of which was taken into account in computing the provision for taxation in the Accounts;
- (i) if and to the extent that such Claim relates to a liability for Taxation which would not have arisen but for any winding up or cessation after Completion of any trade or business carried on by any Group Company;
- (j) if and to the extent that such Claim would not have arisen but for a change of accounting policy or practice of any Group Company after Completion other than to bring such company into line with UK generally accepted accounting principles;;
- (k) if and to the extent that such Claim relates to a liability for Taxation for which any Group Company is or may become liable wholly or primarily as a result of transactions in the ordinary course of business after the Accounts Date;
- (l) if and to the extent that such Claim would not have arisen but

for the termination of the Share Option pursuant to this Agreement or for the payment of L500,000 to EIDOS plc as a result of the transactions contemplated by this Agreement.

14.12 The amount of any Claim shall take into account the amount of any relief from Taxation arising by virtue of the loss or damage in respect of which the Claim was made.

33

14.13 Nothing in this clause shall derogate from Activision's obligation to mitigate any loss which it suffers in consequence of a Claim.

14.14 If in respect of any Claim the liability of the Warrantors is contingent only, then the Warrantors shall not be under any obligation to make any payment to Activision until such time as the contingent liability ceases to be contingent and becomes actual provided that the provisions of clause 14.8 shall not apply to such claim whilst such liability remains contingent.

15. CONDUCT OF CLAIMS

15.1 Activision shall notify the Warrantors as soon as reasonably practicable in writing of:

- (a) any claim made against it or a Group Company by a third party which may give rise to a Claim; and
- (b) any claim which it is aware any Group Company is entitled to bring against a third party which claim is based on circumstances which may give rise to a Claim.

each of the above being hereinafter called a "THIRD PARTY CLAIM".

15.2

- (a) In respect of a Third Party Claim or Third Party Claims which the Purchaser, acting reasonably, believes individually or in the aggregate with all other Third Party Claims may exceed L2,680,000, the Purchaser shall consult with a representative appointed by the Investor Shareholder and with Richard Steele acting together on behalf of the Warrantors in connection with such Third Party Claim but such consultation shall be non-binding. Subject to its obligation to consult, Activision shall have control of the conduct, negotiation, settlement and litigation of such Third Party Claims.
- (b) In connection with a Third Party Claim or Third Party Claims which Activision, acting reasonably, believes individually or in the aggregate with all other Third Party Claims may be for less than L2,680,000 Activision shall procure that the conduct, negotiation, settlement or litigation of the claim by or against such third party is, so far as is reasonably practicable, carried out in accordance with the wishes of a representative appointed by the Investor Shareholder and of Richard Steele acting together on behalf of the Warrantors and at their cost subject to their giving timely instructions to Activision and providing reasonable security for any costs and expenses which might be incurred by Activision or a Group Company.

15.3 Activision shall not be liable for any delay in giving any notice under sub-clause 15.1 unless the Warrantors have been materially prejudiced by such delay, in which case in assessing damages in respect of any Claim credit shall be given to the Warrantors in

34

respect of any damages which would not have arisen pursuant to such Claim but for such delay.

15.4 Activision shall provide and shall procure that each Group Company

provides to the Warrantors and the Warrantors professional advisers reasonable access to premises and personnel and to any relevant assets, documents and records within their power, possession or control for the purpose of investigating any Claim and enabling the Warrantors to take the action referred to in sub-clause 15.2 and shall allow the Warrantors and their advisers to take copies of any relevant documents or records at their expense.

17.6 RELEASES AND WAIVERS

- (a) The rights, powers and remedies conferred on Activision by this Agreement and remedies available to it are cumulative and are additional to any right, power or remedy which it may have under general law or otherwise.
- (b) Activision may, in whole or in part, release, compound, compromise, waive or postpone, in its absolute discretion, any liability owed to it or right granted to it in this Agreement by any other party or parties without in any way prejudicing or affecting its rights in respect of that or any other liability or right not so released, compounded, compromised, waived or postponed.
- (c) No single or partial exercise, or failure or delay in exercising any right, power or remedy by Activision shall constitute a waiver by it of, or impair or preclude any further exercise of, that or any right, power or remedy arising under this Agreement or otherwise.

17.7 FURTHER ASSURANCE

After Completion, each party shall execute such documents and take such steps as the other party may reasonably require to fulfil the provisions of and to give to each party the full benefit of this Agreement.

17.10 TERMINATION

36

Without prejudice to any remedy available to any party arising out of any outstanding breach of this Agreement on the part of any other party (including for the avoidance of doubt and without limitation the rights contained in sub-clauses 2.4 and 7.3(c)), if this Agreement is terminated in accordance with its terms by reason of a breach by one of the parties of clause 2.3, the following shall occur:

- (a) (if the Agreement is properly terminated by Activision) the Warrantors shall indemnify Activision for all costs, charges and expenses incurred by it in connection with the negotiation, preparations and determination or rescission of this Agreement and all matters which this Agreement contemplates and (except as referred to in sub-clause (b)) all obligations of Activision under this Agreement shall cease and (if the Agreement is properly terminated by the Warrantors) Activision shall indemnify the Warrantors for all costs, charges and expenses incurred by them in connection with the negotiation, preparations and determination or rescission of this Agreement and all matters which this Agreement contemplates and (except as referred to in sub-clause (b)) all obligations of the Shareholders under this Agreement shall cease;

that it does so on a confidential basis;

- (iii) the information has come into the public domain through no fault of that party; or
- (iv) each party to whom it relates has given its consent in writing.

17.12 DEFAULT INTEREST

37

If any party defaults in the payment when due of any sum payable under this Agreement (whether payable by agreement or by an order of a court or otherwise), the liability of that party shall be increased to include interest on that sum from the date when such payment was due until the date of actual payment at a rate per annum of 4 per cent. above the base rate from time to time of National Westminster Bank Plc. Such interest shall accrue from day to day and shall be compounded annually.

18. ANNOUNCEMENTS

- 18.1 Except as referred to in sub-clauses 18.2 and 18.3, no announcement concerning the terms of this Agreement shall be made by or on behalf of any of the parties without the prior written consent of a representative of the Investor Shareholder and Richard Steele, acting together on behalf of the Warrantors, and Activision, such consent not to be unreasonably withheld or delayed.
- 18.2 Any announcement or circular required to be made or issued by any party by law or under the regulations of the SEC may be made or issued by that party without consent if it has first sought consent and given the other parties a reasonable opportunity to comment on the subject matter and form of the announcement or circular (given the time scale within which it is required to be released or despatched).
- 18.3 The parties acknowledge and consent to Activision issuing a press release in a form reasonably approved by the Shareholders in relation to the transaction contemplated by this Agreement promptly after the execution of this Agreement.

19. COSTS AND EXPENSES

- 19.1 Except as set out in sub-clause 19.2 and sub-clause 17.10 (Termination) each party shall bear its own costs and expenses incurred in the preparation, execution and implementation of this Agreement provided that Activision shall pay the costs of the Warrantors' legal and accountancy advisors up to a maximum of L197,796.
- 19.2 Activision shall pay all UK stamp duty applicable to any document to which it is a party executed pursuant to this Agreement.

20. NOTICES

- 20.1 Any notice to a party under this Agreement shall be in writing signed by or on behalf of the party giving it and shall, unless delivered to a party personally, be left at, or sent by prepaid first class post (by airmail if outside the UK), prepaid recorded delivery or facsimile to the address of the parties as set out on page 1 of this Agreement in the case of Activision, in Schedule 1, in the case of the Warrantors to their home addresses set out in Schedule 1. A party may notify the other parties of change of address of such party for the purposes of this clause, in which case such revised address shall thereafter be the address for notice of such party.
