(h) The Offered Securities, when issued on the Closing Date or the Option Closing Date, will have been approved for listing on the Nasdaq Stock Market's National Market, subject to official notice of issuance.

(j) The execution, delivery and performance of this Agreement and the issuance and sale of the Offered Securities will not result in a breach or violation of any of the terms and provisions of, or constitute a default under, any statute, rule, regulation or order of any governmental agency or body or any court, domestic or foreign, having jurisdiction over the Company or any Subsidiary or any of their properties, or any material agreement or instrument to which the Company or any such Subsidiary is a party or by which the Company or any such Subsidiary is bound or to which any of the properties of the Company or any such Subsidiary is subject, or the charter or by laws of the Company or any such Subsidiary.

(k) This Agreement has been duly authorized, executed and delivered by the Company.

(l) Except as disclosed in the Prospectus, the Company and its Subsidiaries have good and marketable title to all real properties and all other properties and assets owned by them, in each case free from liens, encumbrances and defects that would materially affect the value thereof or materially interfere with the use made or to be made thereof by them; and except as disclosed in the Prospectus, the Company and its Subsidiaries hold any leased real or personal property material to the business of the Company and its Subsidiaries, considered as one enterprise, under valid and enforceable leases with no exceptions that would materially interfere with the use made or to be made thereof by them.

(m) The Company and its Subsidiaries possess adequate certificates, authorities or permits issued by appropriate governmental agencies or bodies necessary to conduct the business now operated by them and have not received any notice of proceedings relating to the revocation or modification of any such certificate, authority or permit that, if determined adversely to the Company or any of its Subsidiaries, would reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

(o) The Company and its Subsidiaries own or possess, or can acquire on reasonable terms, adequate patents, patent rights, licenses, inventions, copyrights, know how (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures), trademarks, service marks, trade names or other intellectual property (collectively, "Intellectual Property") necessary to carry on the business now operated by them, and neither the Company nor any of its Subsidiaries has received any notice or is otherwise aware of any infringement of or conflict with asserted rights of others with respect to any Intellectual Property or of any facts or circumstances which would render any Intellectual Property invalid or inadequate to protect the interest of the Company or any of its Subsidiaries therein, and which infringement or conflict (if the subject of any unfavorable decision, ruling or finding) or invalidity or inadequacy, singly or in the aggregate,

would result in a Material Adverse Effect.

(p) Except as disclosed in the Prospectus and except as would not, singly or in the aggregate, reasonably be expected to result in a Material Adverse Effect, (i) neither the Company nor any of its Subsidiaries is in violation of any statute, rule, regulation, decision or order of any governmental agency or body or any court, domestic or foreign, relating to the use, disposal or release of hazardous or toxic substances or relating to the protection or restoration of the environment or human exposure to hazardous or toxic substances (collectively, "Environmental Laws"), and (ii) the Company and each of its Subsidiaries have received all permits, licenses or other approvals required of them under applicable Environmental Laws and the Company and each Subsidiary is in compliance with all terms and conditions of any such permits, licenses or other approvals; and the Company is not aware of any pending investigation which might lead to such a claim.

(q) Except as disclosed in the Prospectus, there are no pending actions, suits or proceedings against or affecting the Company, any of its Subsidiaries or any of their respective properties that, if determined adversely to the Company or any of its Subsidiaries, would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, or which might reasonably be expected to materially and adversely affect the ability of the Company to perform its obligations under this Agreement or which are otherwise material in the context of the sale of the Offered Securities; and, to the Company's knowledge, no such actions, suits or proceedings are threatened or contemplated.

(r) The audited financial statements included in the Prospectus, together with the related notes (the "Audited Financials"), and the unaudited financial statements included in the Company's Quarterly Report on Form 10-Q for the quarterly period ending December 31, 2001, together with the related schedules and notes (the "Quarterly Financials"), present fairly the financial position of the Company and its consolidated subsidiaries as of the dates indicated and their results of operations and cash flows for the periods specified, and except as set forth in such Reports such financial statements have

8

been prepared in conformity with generally accepted accounting principles in the United States ("GAAP") applied on a consistent basis throughout the periods involved.

(s) Except as disclosed in the Prospectus, since the date of the Audited Financials included in the Prospectus, there has been no material adverse change, nor any development or event involving a prospective material adverse change, in the condition (financial or other), business, properties or results of operations of the Company and its Subsidiaries taken as a whole, and, except as disclosed in or contemplated by the Prospectus, there has been no dividend or distribution of any kind declared, paid or made by the Company on any class of its capital stock.

(t) The Company has filed all foreign, federal, state and local tax returns that are required to be filed or has requested extensions thereof (except in any case in which the failure so to file would not reasonably be expected to have a Material Adverse Effect) and has paid all taxes required to be paid by it and any other assessment, fine or penalty levied against it, to the extent that any of the foregoing is due and payable, except for any such assessment, fine or penalty that is currently being contested in good faith or as described in or contemplated by the Prospectus.

(v) No default exists, and no event has occurred which, with notice or lapse of time or both, would constitute a default in the due performance and observance of any term, covenant or condition of any indenture,

mortgage, deed of trust, lease or other agreement or instrument to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries or any of their respective properties is bound, except for such defaults that would not result in a Material Adverse Effect.

(w) The Company is not, and upon the issuance and sale of the Offered Securities as herein contemplated and the application of the net proceeds therefrom as described in the Prospectus will not be, an "investment company" or an entity "controlled" by an "investment company" as such terms are defined in the Investment Company Act of 1940, as amended.

The Common Stock is registered pursuant to Section 12(g) of the 1934 Act and is listed on the Nasdaq National Market, and the Company has taken no action designed to, or likely to have the effect of, terminating the registration of the Common Stock under the 1934 Act or delisting the Common Stock from the Nasdaq National Market, nor has the Company received any notification that the Commission or the NASD is contemplating terminating such registration or listing.

3. Offering by Underwriter. It is understood that the Underwriter proposes to offer the Offered Securities for sale upon the terms and conditions as set forth in the Prospectus.

4. Certain Agreements of the Company. The Company agrees with the Underwriter that:

(a) The Company will file the Prospectus with the Commission pursuant to and in accordance with Rule 424(b)(2) not later than the second business day following the execution and delivery of this Agreement. If an additional registration statement necessary to register a portion of the Offered Securities under the Act has not been filed prior to the execution and delivery of this Agreement, the Company will file the additional registration statement in accordance with Rule 462(b) on or prior to 6:00 P.M., New York City time, on the date following the date of this Agreement.

(b) The Company will advise the Underwriter promptly of any proposal to amend or supplement the Registration Statements or the Prospectus and will afford the Underwriter a reasonable opportunity to comment on any such proposed amendment or supplement; and the Company will also advise the Underwriter promptly of the filing of any such amendment or supplement and of the institution by the Commission of any stop order proceedings in respect of the Registration Statements or of any part thereof and will use its best efforts to prevent the issuance of any such stop order and to obtain as soon as possible its lifting, if issued.

(c) If at any time prior to the expiration of nine months after the Effective Date of any Registration Statement when a prospectus relating to the Offered Securities is required to be delivered under the Act in connection with sales of the Offered Securities,

11

any event occurs as a result of which, in the opinion of counsel for the Underwriter or for the Company, the Prospectus as then amended or supplemented would include an untrue statement of material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, or if it is necessary, in the opinion of such counsel, at any time to amend the Prospectus to comply with the Act, the Company promptly will notify the Underwriter of such event and, upon its request, will prepare and file with the Commission, at its own expense, an amendment or supplement which will correct such statement or omission or an amendment which will effect such compliance. The Company will furnish without charge to the Underwriter as many copies as the Underwriter may from time to time reasonably request of such amended or supplemented Prospectus.

(d) The Company will make generally available to its securityholders as soon as practicable, but in any event not later than 18 months after the Effective Date of the Initial Registration Statement (as defined in Rule 158(c) under the Act) (or, if later, the Effective Date of the Additional Registration Statement), an earnings statement of the Company (which need not be audited unless required by the Act) complying with Section 11(a) of the Act and the Rules and Regulations (including, at the option of the Company, Rule 158).

(e) The Company will furnish to the Underwriter copies of each Registration Statement, including all exhibits, the Prospectus and all amendments and supplements to such documents, in each case as soon as available and in such quantities as the Underwriter may reasonably request. The Company will pay the expenses of printing and distributing to the Underwriter all such documents.

(f) The Company will use its best efforts, in cooperation with the Underwriter, to qualify the Offered Securities for offering and sale under the laws of such jurisdictions as the Underwriter may designate and will continue such qualifications in effect so long as required for the distribution; provided, however, that the Company shall not be obligated to file any general consent to service of process or to qualify as a foreign corporation or as a dealer in securities in any jurisdiction in which it is not so qualified or to subject itself to taxation in respect of doing

business in any jurisdiction in which it is not otherwise so subject.

(g) The Company will pay all expenses incident to the performance of its obligations under this Agreement, including (i) the preparation, printing and filing of each Registration Statement as originally filed and or each amendment thereto, (ii) the preparation, printing and delivery to the Underwriter of this Agreement, (iii) the preparation, issuance and delivery of the certificates for the Offered Securities to the Underwriter, and expenses incurred thereto, (iv) the fees and disbursements of the Company's counsel, accountants and other advisors, (v) the qualification of the Offered Securities under securities laws in accordance with the provisions of Section 4(f) hereof, (vi) the printing and delivery to the Underwriter of copies of the Prospectus and any amendments or supplements thereto, (vii) the preparation, printing and delivery to the Underwriter of copies of any Blue Sky Survey and any supplement thereto, (viii) the fees and expenses of any transfer agent or registrar for the Offered Securities, (ix) the filing

12

fees incident to the review by the National Association of Securities Dealers, Inc. (the "NASD") of the terms of the sale of the Offered Securities and (x) the fees and expenses incurred in connection with the listing of the Offered Securities on the Nasdaq National Market; provided that, except as otherwise provided in this paragraph, the Underwriter shall pay its own costs and expenses, including the fees and expenses of its counsel, any transfer taxes on the Offered Securities which it may sell and the expenses of advertising any offering of the Offered Securities made by the Underwriter.

(h) The Company will use the net proceeds received by it from the sale of the Offered Securities in the manner specified in the Prospectus under the Section entitled "Use of Proceeds".

(i) The Company will use its best efforts to effect and maintain the quotation of the Offered Securities on the Nasdaq National Market and will file with the Nasdaq National Market all documents and notices required by the Nasdaq National Market of companies that have securities that are traded in the over-the-counter market and quotations for which are reported by the Nasdaq National Market.

(j) The Company, during the period when the Prospectus is required to be delivered under the Act or the 1934 Act, will file all documents required to be filed with the Commission pursuant to the 1934 Act within the time periods required by the 1934 Act and the 1934 Act Regulations.

(k) For a period of 60 days after the date of the Prospectus, the Company will not offer, sell, contract to sell, pledge or otherwise dispose of, directly or indirectly, or file with the Commission a registration statement under the Act relating to any additional shares of its securities or securities convertible into or exchangeable or exercisable for any shares of its securities, or publicly disclose the intention to make any such offer, sale, pledge, disposition or filing, without the prior written consent of the Underwriter. The foregoing restriction shall not apply to (i) issuances of securities pursuant to the conversion or exchange of convertible or exchangeable securities or the exercise of warrants or options, in each case outstanding on the date hereof, (ii) grants of employee stock options or other awards pursuant to the terms of any employee benefit plan of the Company in effect on the date hereof or outside of any plan in the discretion of the Company's Board of Directors, or issuances of securities pursuant to the exercise of such options or other awards or issuances described in or contemplated by the Company's public filings made in accordance with the 1934 Act, and (iii) issuances of shares or securities convertible into or exchangeable for shares of Common Stock in connection with acquisitions by the Company or any Subsidiary (collectively, the "Acquisition Shares") if the recipients of such Acquisition Shares each agree to be bound by the restrictions set forth above for the remainder of the 60-day period; provided that, notwithstanding the foregoing, the Company may, in connection with acquisitions, issue up to 775,000 shares of Common Stock in the aggregate not subject to the foregoing restrictions and may file a registration statement under the Act with respect to all such 775,000 shares. The Company will cause each of its executive officers and directors to furnish to the Underwriter, prior to the Closing Date, a lock-up letter, substantially in the form of Exhibit A hereto.

13

5. Conditions of the Obligations of the Underwriter. The obligations of the Underwriter to purchase and pay for the Firm Securities on the Closing Date and the Option Securities on any Option Closing Date will be subject to the accuracy

of the representations and warranties on the part of the Company herein, the accuracy of the statements of Company officers made pursuant to the provisions hereof, the performance by the Company of its obligations hereunder and the following additional conditions precedent:

The Additional Registration Statement, if not filed prior to the execution and delivery of this Agreement, shall have been filed with the Commission in accordance with the Rules and Regulations and Section 4(a) of this Agreement. No stop order suspending the effectiveness of any Registration Statement or of any part thereof shall have been issued and no proceedings for that purpose shall have been instituted or, to the knowledge of the Company or the Underwriter, shall be contemplated by the Commission.

(b) Subsequent to the execution and delivery of this Agreement, there shall not have occurred (i) any change, or any development or event involving a prospective change, in the condition (financial or other), business, properties or results of operations of the Company and its Subsidiaries taken as one enterprise which, in the reasonable judgment of the Underwriter, is material and adverse and makes it impractical or inadvisable to proceed with completion of the public offering or the sale of and payment for the Offered Securities; (ii) any downgrading in the rating of any debt securities of the Company by any "nationally recognized statistical rating organization" (as defined for purposes of Rule 436(g) under the Act), or any public announcement that any such organization has under surveillance or review its rating of any debt securities of the Company (other than an announcement with positive implications of a possible upgrading, and no implication of a possible downgrading, of such rating); (iii) any material change in U.S. or international financial, political or economic conditions or currency exchange rates or exchange controls as would, in the judgment of the Underwriter, be likely to prejudice materially the sale or distribution of the Offered Securities; (iv) any material suspension or material limitation of trading in securities generally on the Nasdaq National Market or the New York Stock Exchange, or any setting of minimum prices for trading on such exchange, or any suspension of trading of any securities of the Company on any exchanges or in the over the counter market; (v) any banking moratorium declared by U.S. Federal or New York authorities; (vi) any major disruption of settlements of securities or clearance services in the United States; or (vii) any attack on, outbreak or escalation of major hostilities or major acts of terrorism involving the United States, any declaration of war by Congress or any other substantial national or international calamity or emergency if, in the judgment of the Underwriter, the effect of any such attack, outbreak, escalation, act, declaration, calamity or emergency makes it impractical or inadvisable to proceed with completion of the public offering and the sale of and payment for the Offered Securities.

(c) On the Closing Date, Robinson Silverman Pearce Aronsohn & Berman LLP shall have furnished to the Underwriter such counsel's written opinion, as special counsel to the Company, addressed to the Underwriter and dated the Closing Date, in

14

form and substance reasonably satisfactory to the Underwriter substantially in the form set forth as Exhibit B hereto.

(d) On the Closing Date, the Underwriter shall have received from each of PricewaterhouseCoopers LLP and KPMG LLP a letter, addressed to the Underwriter and dated such date, in form and substance reasonably satisfactory to the Underwriter (i) confirming that it is an independent certified public accountant with respect to the Company and its subsidiaries within the meaning of the Act and the Rules and Regulations and (ii) stating the conclusions and findings of such firm with respect to the financial statements and certain financial information for which such firm has acted as auditor and accountant, contained or incorporated by reference in the Prospectus.

(e) On the Closing Date, the Underwriter shall have received from Skadden, Arps, Slate, Meagher & Flom LLP, counsel for the Underwriter, such opinion or opinions, dated the Closing Date, with respect to the incorporation of the Company, the validity of the Offered Securities delivered on the Closing Date, the Registration Statements, the Prospectus and other related matters as the Underwriter may reasonably require, and the Company shall have furnished to such counsel such documents as they reasonably request for the purpose of enabling them to pass upon such matters.

(f) The Underwriter shall have received a certificate, dated the

Closing Date, of the President or any Vice President and a principal financial or accounting officer of the Company in which such officers, to the best of their knowledge after reasonable investigation, shall state that (i) the representations and warranties of the Company in this Agreement are true and correct, (ii) the Company has in all material respects complied with all agreements and satisfied all conditions on its part to be performed or satisfied hereunder at or prior to the Closing Date, (iii) no stop order suspending the effectiveness of any Registration Statement or of any part thereof has been issued and no proceedings for that purpose have been instituted or are contemplated by the Commission, and (iv) subsequent to the date of the most recent financial statements in the Prospectus, there has been no material adverse change, nor any development or event involving a prospective material adverse change, in the condition (financial or other), business, properties or results of operations of the Company and its Subsidiaries taken as one enterprise, except as set forth in or contemplated by the Prospectus or as described in such certificate.

(g) On or prior to the date of this Agreement, the Underwriter shall have received lock-up letters, substantially in the form of Exhibit A hereto, from each of the executive officers and directors of the Company.

(h) In the event that the Underwriter exercises its option provided in Section 2(b) hereof to purchase all or any portion of the Option Securities, the representations and warranties of the Company contained herein and the statements in any certificates furnished by the Company or any Subsidiary hereunder shall be true and correct as of each Option Closing Date and, at such date, the Underwriter shall have received: (i) the opinion of Robinson Silverman Pearce Aronsohn & Berman LLP, counsel for the Company, in form and substance reasonably satisfactory to the Underwriter, dated such

15

Option Closing Date, relating to the Firm Securities and the Option Securities to be purchased on such Option Closing Date and otherwise to the same effect as the opinion required by Section 5(c); (ii) a letter from each of PricewaterhouseCoopers LLP and KPMG LLP, dated as of the Option Closing Date, substantially in the same form and substance as the letters furnished to the Underwriter pursuant to Section 5(d) hereof; (iii) the opinion of Skadden, Arps, Slate, Meagher & Flom LLP, counsel for the Underwriter, dated such Option Closing Date, relating to the Option Securities to be purchased on such date and otherwise to the same effect as the opinion required by Section 5(e) hereof; and (iv) a certificate, dated such Option Closing Date, of the President or any Vice President and a principal financial or accounting officer of the Company confirming that the certificate delivered on the Closing Date pursuant to Section 5(f) hereof remains true and correct as of such Option Closing Date.

(i) On the Closing Date, the Offered Securities shall have been approved for listing on the Nasdaq National Market, subject only to official notice of issuance.

The Company will furnish the Underwriter with conformed copies of such opinions, certificates, letters and documents as the Underwriter reasonably requests. The Underwriter may in its sole discretion waive compliance with any conditions to the obligations of the Underwriter hereunder whether in respect of an Option Closing Date or otherwise.

6. Indemnification and Contribution. (a) The Company will indemnify and hold harmless the Underwriter, its officers, employees, representatives and agents and each person, if any, who controls the Underwriter within the meaning of Section 15 of the Act, against any losses, claims, damages or liabilities, joint or several, to which the Underwriter may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any Registration Statement, the Prospectus, or any amendment or supplement thereto, or any related preliminary prospectus, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse the Underwriter for any legal or other expenses reasonably incurred by the Underwriter in connection with investigating or defending any such loss, claim, damage, liability or action as such expenses are incurred; provided, however, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement in or omission or alleged omission from any of such documents in reliance upon and in conformity with written information furnished to the Company by the Underwriter specifically for use therein; and provided, further, that with respect to any untrue statement or alleged untrue statement in or omission or alleged omission from any preliminary

prospectus the indemnity agreement contained in this subsection (a) shall not inure to the benefit of the Underwriter from whom the person asserting any such losses, claims, damages or liabilities purchased the Offered Securities concerned, to the extent that a Prospectus relating to such Offered Securities was required to be delivered by the Underwriter under the Act in connection with such purchase and any such loss, claim, damage or liability of the Underwriter results from the fact that there was not sent or given to such person, at or prior to the written confirmation of the sale of such Offered Securities to such person, a copy of the Prospectus (exclusive of material incorporated by reference) if the Company had previously

16

furnished copies thereof to the Underwriter.

(b) The Underwriter agrees to indemnify and hold harmless the Company, its directors and officers and each person, if any, who controls the Company within the meaning of Section 15 of the Act, against any losses, claims, damages or liabilities to which the Company may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any Registration Statement, the Prospectus, or any amendment or supplement thereto, or any related preliminary prospectus, or arise out of or are based upon the omission or the alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by the Underwriter specifically for use therein, and will reimburse any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such loss, claim, damage, liability or action as such expenses are incurred.

(c) Promptly after receipt by an indemnified party under this Section of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under subsection (a) or (b) above, notify the indemnifying party of the commencement thereof; but the omission so to notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party otherwise than under subsection (a) or (b) above, except to the extent it has been materially prejudiced by such omission. In case any such action is brought against any indemnified party and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party, and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party will not be liable to such indemnified party under this Section for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. An indemnified party may participate at its own expense in the defense of any such action; provided, however, that counsel to the indemnifying party shall not (except with the consent of the indemnified party) also be counsel to the indemnified party. In no event shall the indemnifying party, in connection with any one such action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expense of more than one separate firm of attorneys at any time for all such indemnified parties, which firm shall be designated in writing by the Underwriter in the case of parties indemnified pursuant to Section 6(a) above, and by the Company in the case of parties indemnified pursuant to Section 6(b) above. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened action in respect of which any indemnified party is or could have been a party and indemnity could have been sought

17

hereunder by such indemnified party unless such settlement (i) includes an unconditional release of such indemnified party from all liability on any claims that are the subject matter of such action and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of an indemnified party.

(d) If the indemnification provided for in this Section is unavailable or insufficient to hold harmless an indemnified party under subsection (a) or (b) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities referred to in subsection (a) or (b) above (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriter on the other from the offering of the Offered Securities or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and the Underwriter on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriter on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriter. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or the Underwriter and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any action or claim which is the subject of this subsection (d). Notwithstanding the provisions of this subsection (d), the Underwriter shall not be required to contribute any amount in excess of the amount by which the total price at which the Offered Securities purchased by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

(e) The obligations of the Company under this Section shall be in addition to any liability which the Company may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls the Underwriter within the meaning of the Act; and the obligations of the Underwriter under this Section shall be in addition to any liability which such Underwriter may otherwise have and shall extend, upon the same terms and conditions, to each director of the Company, to each officer of the Company who has signed any Registration Statement and to each person, if any, who controls the Company within the meaning of the Act.

18

7. Survival of Certain Representations and Obligations. The respective indemnities, agreements, representations, warranties and other statements of the Company or its officers and of the Underwriter set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation, or statement as to the results thereof, made by or on behalf of the Underwriter, the Company or any of their respective representatives, officers or directors or any controlling person, and will survive delivery of and payment for the Offered Securities.

8. Termination. (a) The obligations of the Underwriter hereunder may be terminated by written notice given to and received by the Company prior to delivery of and payment for the Offered Securities if, prior to that time, any of the events described in Section 5(b) have occurred or if the Underwriter shall decline to purchase the Offered Securities for any reason permitted under this Agreement.

(b) If this Agreement shall have been terminated pursuant to Section 8(a), the Company shall remain responsible for the expenses to be paid or reimbursed by it pursuant to Section 4 and the respective obligations of the Company and the Underwriter pursuant to Section 6 shall remain in effect, and if any Offered Securities have been purchased hereunder the representations and warranties in Section 1 and all obligations under Section 4 shall also remain in effect. If this Agreement is terminated pursuant to Section 8(a) for any reason other than the occurrence of any event specified in clause (iii), (iv), or (v) of Section 5(b), the Company

will reimburse the Underwriter for all out of pocket expenses (including fees and disbursements of counsel) reasonably incurred by them in connection with the offering of the Offered Securities.

9. Notices. All communications hereunder will be in writing and, if sent to the Underwriter, will be mailed, delivered or telegraphed and confirmed to Don Hansen, Goldman, Sachs & Co., 85 Broad Street, New York, New York 10004, or, if sent to the Company, will be mailed, delivered or telegraphed and confirmed to Brian G. Kelly, Co-Chairman, Activision, Inc., 654 Madison Avenue, Suite 1801, New York, New York 10021, with a copy to Kenneth L. Henderson, Robinson Silverman Pearce Aronsohn & Berman LLP, 1290 Avenue of the Americas, New York, New York 10104.

10. Successors. This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers and directors and controlling persons referred to in Section 6, and no other person will have any right or obligation hereunder.

11. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same Agreement.

12. Applicable Law. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAWS.

13. Submission to Jurisdiction. The Company hereby submits to the non exclusive jurisdiction of the Federal and State courts in the Borough of Manhattan, City of New York, State of New York in any suit or proceeding arising out of or relating to this Agreement or the

19

transactions contemplated hereby.

Re: Activision, Inc.

Dear Sirs:

The undersigned, a stockholder and an officer and/or director of Activision, Inc., a Delaware corporation (the "Company"), understands that Goldman, Sachs & Co. (the "Underwriter") proposes to enter into an Underwriting Agreement (the "Underwriting Agreement") with the Company providing for the sale of shares (the "Offered Securities") of the Company's common stock, par value \$.000001 per share (the "Common Stock"). In recognition of the benefit that such a sale will confer upon the undersigned as a stockholder and an officer and/or director of the Company, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned agrees with the Underwriter that, during a period of 60 days from the date of the Underwriting Agreement, the undersigned will not, without the prior written consent of the Underwriter, directly or indirectly, (i) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant for the sale of, or otherwise dispose of or transfer any shares of the Company's Common Stock or any securities convertible into or exchangeable or exercisable for Common Stock, whether now owned or hereafter acquired by the undersigned or with respect to which the undersigned has or hereafter acquires the power of disposition, or file any registration statement under the Securities Act of 1933, as amended, with respect to any of the foregoing or (ii) enter into any swap or any other agreement or any transaction that transfers, in whole or in part, directly or indirectly, the economic consequence of ownership of the Common Stock, whether any such swap or transaction is to be settled by delivery of Common Stock or other securities, in cash or otherwise, except that the foregoing prohibition shall not apply to sales of Common Stock by employees of the Company pursuant to Rule 10b5-1 sales plans in effect on the date hereof.

FORM OF OPINION OF COMPANY'S COUNSEL
TO BE DELIVERED PURSUANT TO SECTION 5(c)

(1) The Company is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Delaware, and has all requisite corporate power and authority to own, lease and operate its properties and carry on its business as now being conducted. Based solely on a certificate of the Secretaries of State of the States of California and New York, the Company is duly qualified to transact business as a foreign corporation and is in good standing in the States of California and New York, the only jurisdictions in which the conduct of its business or its ownership or leasing of property requires such qualification or where the failure to be so qualified would have a Material Adverse Effect.

(2) The Company has all necessary corporate power and authority to execute, deliver and perform its obligations under the Underwriting Agreement. The Company has taken all necessary corporate action to execute, deliver and perform its obligations under the Underwriting Agreement, and the Underwriting Agreement has been validly executed and delivered by, and constitutes the legal, valid and binding obligation of, the Company, enforceable against it in accordance with its terms.

(3) The Firm Securities to be issued pursuant to the Underwriting Agreement have been duly authorized for issuance to the Underwriter and upon the issuance and delivery of the Firm Securities and the receipt by the Company of all consideration therefor in accordance with the terms of the Underwriting Agreement, the Firm Securities will be validly issued, fully paid and non-assessable, and free of preemptive rights.

(4) Each Subsidiary listed on Schedule A attached hereto (the "Material Domestic Subsidiaries") has been duly incorporated and is validly existing as a corporation in good standing under the laws of the jurisdiction of its incorporation, has corporate power and authority to own, lease and operate its properties and to carry on its business as now being conducted. Based solely on certificates of the Secretaries of State of the applicable jurisdictions, each Material Domestic Subsidiary is duly qualified to transact business as a foreign corporation and is in good standing in each jurisdiction in which the conduct of its business or its ownership or leasing of property requires such qualification or where the failure to be so qualified would have a Material Adverse Effect.

(5) The Company is not required to obtain any consent, approval, certificate, license, permit, waiver, authorization of, or declaration, filing or registration with, any governmental authority in connection with or as a condition to the execution, delivery or performance by the Company of the Underwriting Agreement or the consummation by the Company of the transactions contemplated thereby, except for such filings and other actions as may be required under the Securities Act of 1933, as amended (the "Securities Act"), or the rules and regulations thereunder, or as may be required under the securities or "blue sky" laws of the various states, as to which we express no opinion.

24

(6) The execution, delivery and performance by the Company of the Underwriting Agreement, and compliance by it therewith, do not and will not (a) conflict with, constitute a default under or violate (i) any provision of the Amended and Restated Certificate of Incorporation of the Company, as amended, or the Amended and Restated By-laws of the Company, (ii) any provision of any material applicable law, rule or regulation, (iii) to our knowledge, any judgment, order writ, injunction or decree to which it is subject, or (iv) any material agreement, contract or instrument known to us to which the Company is a party or by which it is bound, or (b) result in or require the creation or imposition of any security interest or lien upon any of the Company's properties pursuant to any material agreement, contract or instrument known to us to which the Company is a party or by which it is bound. For purposes of the foregoing, we have assumed that the only material agreements, contracts or instruments to which the Company is a party are those listed as exhibits to the Company's Annual Report on Form 10-K for the fiscal year ended March 31, 2001 and each of the Company's Quarterly Reports on Form 10-Q for the quarterly periods ending June 30, 2001, September 30, 2001 and December 31, 2001.

(7) To our knowledge, there is no action, proceeding, investigation or claim pending or threatened in writing before any court, arbitrator or administrative agency against the Company that relates to the Underwriting Agreement or any action taken or to be taken pursuant thereto.

(8) The Initial Registration Statement is effective under the Securities

Act and, to our knowledge, based solely upon a verbal acknowledgment by the staff of the Securities and Exchange Commission, no stop order suspending the effectiveness of the Initial Registration Statement has been issued under the Securities Act or proceedings therefor initiated or threatened by the Securities and Exchange Commission.

(9) The Initial Registration Statement and the Prospectus, as of the Effective Date, (except as to financial statements and related notes, financial, statistical and accounting data and supporting schedules included or incorporated by reference therein, as to which we express no opinion), comply as to form in all material respects with the requirements of the Securities Act and the rules and regulations promulgated thereunder.

(10) The Company is not an "investment company" within the meaning of the Investment Company Act of 1940, as amended.

In addition, we have participated in the preparation of the Initial Registration Statements and the Prospectus and, although we assume no responsibility for the accuracy and completeness of the Initial Registration Statements or Prospectus, based upon such participation but without independent review or verification, nothing has come to our attention which causes us to believe that, (i) at the time the Initial Registration Statement became effective, such Initial Registration Statement (except as to the financial statements and related notes, financial, statistical and accounting data and supporting schedules included or incorporated by reference therein, as to which we express no opinion) contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or (ii) at the date of the Prospectus or at the Closing Date, the Prospectus (except as aforesaid) contained any untrue statement of a

25

material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, or (iii) at the Closing Date, the Initial Registration Statements (except as aforesaid) contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

ACTIVISION DISCUSSES STOCK OFFERING

Santa Monica, Ca - June 4, 2002 - Activision, Inc. (Nasdaq: ATVI) today announced that the company will use the proceeds from its previously announced stock offering to take advantage of the growth opportunities that it expects will be afforded by the rapidly growing worldwide installed base of new console and hand-held video game systems. Activision expects the closing of this transaction to take place on June 7, 2002.

Activision also reaffirmed its previously increased fiscal year 2003 financial guidance, including the increased number of shares to be outstanding after the offering. Based on the overall strength of the video game industry, strong market performance of its titles globally and anticipated use of proceeds from the offering, the company expects earnings per share of \$1.10 on net revenues of \$890 million.

"This offering is yet another step in our strategy to enable us to continue our role as a leading player in the interactive entertainment industry," states Robert Kotick, Chairman and CEO, Activision, Inc. "We remain confident about the positive outlook for our business over this current cycle and future cycles. We take a long-term perspective with respect to capital usage and we expect that this offering will afford us financial flexibility for many fiscal years by allowing us to continue building our operating capability while enhancing shareholder value."

Funds raised from the offering will be used to acquire product development resources and intellectual property rights. Kotick continued, "We believe that during past growth phases, independent companies that consolidated the most valuable assets and relationships gained the most strength during growth cycles. We plan to assess all opportunities against the main goal of increasing our

profitability while adding to core strategic capabilities. Adding greater financial flexibility to our management team, scale and product visibility will, we believe, take Activision to the next level."

Headquartered in Santa Monica, California, Activision, Inc. is a leading worldwide developer, publisher and distributor of interactive entertainment and leisure products. Founded in 1979, Activision posted revenues of \$786 million for the fiscal year ended March 31, 2002.
