**Activision Blizzard, Inc., Announces Private Offering of \$1.0 Billion Senior Secured Notes, \$1.5 Billion Senior Notes**

Santa Monica, California, September 3, 2013—Activision Blizzard, Inc. (NASDAQ: ATVI) today announced that, subject to market and other conditions, Activision Blizzard (the “Company”), plans to offer \$1.0 billion aggregate principal amount of senior secured notes due 2020 (the “2020 Notes”), \$1.0 billion aggregate principal amount of senior notes due 2021 (the “2021 Notes”) and \$500.0 million aggregate principal amount of senior notes due 2023 (the “2023 Notes” and, together with the 2020 Notes and the 2021 Notes, the “Notes”).

The Notes will be general senior obligations of the Company and will be fully and unconditionally guaranteed on a senior basis by certain of the Company’s current U.S. subsidiaries. The 2020 Notes and the related guarantees will be secured by a first-priority security interest in substantially all of the Company’s assets and the assets of each subsidiary guarantor, including but not limited to (a) pledges of all the equity interests held by the Company and each subsidiary guarantor and (b) a first-priority security interest in, and mortgages on, substantially all of the present and after-acquired assets of the Company and each subsidiary guarantor. The 2021 Notes and 2023 Notes and related guarantees will not be secured.

The Company intends to use the net proceeds of the offering, along with cash on hand and proceeds from borrowings under senior secured credit facilities to be entered into concurrently with the completion of this offering, to: (i) finance the consideration to be paid by the Company to Vivendi S.A., a *société anonyme* organized under the laws of France (and together with its affiliates, “Vivendi”) in connection with stock purchase transactions (the “Transactions”) previously announced among the Company, Vivendi and ASAC II LP, an exempted limited partnership established under the laws of the Cayman Islands and acting by ASAC II LLC, its general partner; and (ii) pay the Company’s fees and expenses incurred in connection with the Transactions. The completion of this offering is conditioned upon the consummation of the Transactions and the closing of the senior secured credit facilities.

The Company plans to offer the Notes and related guarantees in a private offering that is exempt from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”). The Company plans to offer the Notes and related guarantees within the United States only to qualified institutional buyers in accordance with Rule 144A under the Securities Act and outside the United States only to non-U.S. investors in accordance with Regulation S under the Securities Act. The Notes and related guarantees will not be registered under the Securities Act or the securities laws of any other jurisdiction. Unless so registered, the Notes and related guarantees may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws.
