Final Epic Call of Duty: Black Ops III DLC Pack, Salvation, Available Now on PlayStation 4

Fourth Black Ops III DLC Brings It Home, Concluding Treyarch Zombies Saga via Grand Finale, and a Quadruple Threat of Thrilling Multiplayer Maps

*Salvation Completes An Epic Season of Content for the Best-Selling Console Video Game on Next Generation Platforms**

SANTA MONICA, Calif.--(BUSINESS WIRE)-- The monumental fourth and final DLC map pack for **Call of Duty®: Black Ops III**, the best-selling console video game on next generation platforms*, **Salvation**, is now available on PlayStation 4, with other next-gen platforms to follow**. Published by Activision Publishing, Inc., a wholly owned subsidiary of Activision Blizzard, Inc. (NASDAQ:[ATVI](#)) and developed by Treyarch, **Salvation** delivers the thrilling climax of the Zombies *Origins* saga plus four exciting multiplayer maps.

"The team at Treyarch has worked tirelessly to make this an incredible year for *Call of Duty: Black Ops III* players and we hope fans have as much fun playing it as we had making it," said Mark Lamia, Studio Head, Treyarch. "The release of *Revelations* has a great deal of sentimental value: it has been an adventure eight years in the making, and a very special journey that we've taken with our fans."

Salvation features *Revelations*, the finale of the *Origins* Zombies saga. In *Revelations*, this final chapter of the Zombies experience, Richtofen, Dempsey, Takeo, and Nikolai - having traveled through space and time - finally discover the identity of the mysterious Doctor Monty in The House. As the heroes face-off against an ancient evil, they must hold the zombie horde back in the ultimate battle between human and undead.

Salvation also includes four new action-packed multiplayer maps set within the ancient walls of a medieval fortress, to the dusty streets of an old-west town.

- ▮ **Citadel:** Once home to a powerful medieval army, this ancient castle now sits broken and abandoned. Tight corners force close-quarters engagements, while the moat and drawbridge allows for unique player movement opportunities in this mid-sized map.
- ▮ **Micro:** What's better than a BBQ on a hot summer day? A miniaturized war zone that takes place on a well-stocked family picnic table. Navigate this bite-size battlefield for a larger-than-life experience.
- ▮ **Outlaw:** Gear up for a showdown in *Outlaw*, a western-style re-imagining of the fan favorite map *Standoff* from *Call of Duty®: Black Ops II*. This rough-and-tough medium-sized map brings classic engagements, flanking routes and strategic positions for long and medium ranged combat.
- ▮ **Rupture:** The *Call of Duty®: World at War* classic *Outskirts* is re-imagined as a high-tech facility, designed by a futuristic society desperate to repair the Earth's atmosphere. Take control of one of the facility's mechs to unleash a barrage of heavy machine gun and rocket destruction.

Salvation is now available on PlayStation 4 at a discounted rate via the **Call of Duty: Black Ops III** DLC Season Pass***, which also features the three DLC Map Packs already released this year, as part of the discounted bundle offered at a suggested retail price of \$49.99.
